FOR IMMEDIATE RELEASE

## Windsor Introduces the New Chariot iScrub 20 Deluxe

Denver, CO – Windsor, a Member of KÄRCHER North America, introduces a new member to the Chariot iScrub 20 family, the Chariot iScrub 20 Deluxe.

The Chariot iScrub 20 family of stand-on rider scrubbers achieves unmatched productivity when compared to walk-behind scrubbers sized from 17" to 26".

The Chariot iScrub 20 Deluxe provides the same features as the original Chariot iScrub 20---

- Swiveling no-adjustment squeegee, with Aqua-Mizer functionality that ensures 100% water pick up for dry, safe floors
- Design and size that provides remarkable maneuverability, and best-in-industry 360° visibility that allows the operator to see more of the cleaning area
- Intuitive control panel with two transport speeds and two operating speeds, and an easy-to-clean, fully accessible hygienic recovery tank
- Quiet operation for daytime cleaning

### --and also new design features:

- External fill port for quick access to fill solution tank
- On-board charger on AGM models that can be used with any standard wall outlet
- Tie-down bar for easier transportation

With a lower investment cost, higher production rate and simplicity of maintenance, the Chariot iScrub 20 family meets and exceeds all expectations with up to 58% operational savings versus competitively sized walk-behind scrubbers.

For more information, or to request a quote on the new Chariot iScrub 20 Deluxe, visit [www.windsorind.com](http://www.windsorind.com).
