Windsor Introduces The Radius Family

Denver, CO – Windsor Industries, a Member of Kärcher Floor Care, introduces six new sweepers with superior cleaning power.

The Radius Family

The Radius Mini is a cordless electric sweeper with flexible and professional interim cleanup that features:

- Powerful, rechargeable Nicad battery pack that provides up to 45 minutes of operation on hard floors, and 30 minutes on carpet.
- A new universal joint with ergonomically shaped, height-adjustable handle for superior maneuverability.
- An extremely quiet operation allowing for cleaning even during business hours.

The Radius Manual is a compact manual push sweeper that provides fast and efficient cleaning for paths, walkways, sidewalks, hallways, and features:

- A main roller brush that is driven by both wheels so that it sweeps equally well in either left or right turns.
- A rugged metal pinion drive for long life.
- A push handle that can be adjusted in three positions to suit the operator, and that can be folded completely flat for space-saving storage.

The Radius 24, Radius 28/Radius 28 Deluxe, and the Radius 33 are fast, efficient walk-behind sweepers that feature:

- Cordless operation for safety, and a built-in charger that enables the user to charge the machine quickly and easily.
- An ultra-low noise level that won't disturb customers.
- A high efficiency filtration system that captures fine dust particle to keep air clean.
- An intuitive control panel display that is simple and easy to use.
